INTRODUCTION

1.3.1 Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum during 2017-2022

The Institution is an affiliating college that through its co-curricular activities tries to inculcate values and ethics among its students. Our Institution offers a variety of courses and programmes to Cross-cutting issues of the society like Moral Values, Human Values, Professional Ethics, Ethical Values Gender Equality, Environmental Awareness, which are inseparable part of our curriculum. Faculty create awareness in students about various cross cutting issues through curriculum. Through these programmes students imbibe universal moral and social values, sensitivity towards gender issues and environmental consciousness.

1. Gender sensitization programmes like lectures, seminars.
2. Observance of Women's Day
3. The University has made it compulsory to study "Environmental studies" in their regular curriculum to create awareness related to various environmental issues that the world is facing through projects, field work, seminars and Green Audit.
4. Human values promoted through the activities of the NSS, YRC and SSL, illuminating the young minds about the duties and responsibilities of the citizens of this country.
5. Community outreach and other social welfare programmes.
6. Value education and mental health workshops conducted by club of Human values and professional ethics and by Physical and Mental Health club.
7. Handbook of Code of Conduct are uploaded in the College website and also enunciated by the Principal and staff members during Students' Orientation Programmes.
9. Observance of World Environment Day, Forest Week
10. Upholding values of Social Equality, diversity and women empowerment through functions like the Annual Programme, Sports Day, Independence and Republic Day celebrations as well as through the activities of various clubs and societies, and presentations etc.

Moral Values, Human Values & Professional Ethics:

Values are our core principles for success. Human values include morality, integrity, peaceful life, respect for others, honesty, caring, kindness, courage, sharing, time management, self-confidence, commitment, spirituality. Ethics is an activity which concerns the investigation of moral values in moral matters. Every profession, such as teaching, medicine, law, etc., has its own professional ethics. Formal Code, Focus, Precedence, Restriction and Role Morality are some of the important features of professional ethics.

Objectives of Human Values & Professional Ethics:

- To understand the moral values that ought to guide the Management profession, Resolve the moral issues in the profession,

- To justify the moral judgment concerning the profession.
- Intended to develop a set of beliefs, attitudes, and habits that the students should display concerning morality.
- To create an awareness on Management Ethics and Human Values.
- To inspire Moral and Social Values and Loyalty.
- To appreciate the rights of others.

Human values and professional ethics:

The college offers courses on values and ethics viz. Human Rights and Value Education – Yoga with two-credit Non Major Electives as part of the Under Graduate curriculum respectively. Also “Professional English” is offered as part of the UG curriculum. Students will be able to understand the importance of ethics and values in their personal, social & professional life after studying these courses. These subjects provide free environment for inculcating values and developing ethical competence among the students. It is in response to a long- felt and urgent need to integrate value education with decision making skills in their personal, social and professional life. College celebrates days of National and International importance as Republic day, Women’s day, Independence Day, Teacher`s day, Human Right Day Competitions, International Yoga Day etc. These celebrations nurture the moral, ethical and social values in the students.

Gender Sensitization:

The courses are offered as Feminist Writing, Entrepreneurial Development, International current affairs and Teaching of social reformer to various Under Graduate students with the view to inform, intervene and inculcate the women’s rights, laws, principles and values. Within the campus, a Grievance Redressal Cell has been successfully addressing issues of gender discrimination, as well as positively engaging in the creation of knowledge of women's safety and empowerment. Through this cell the college intends to provide counseling to students, to promote gender equity among students, to generate the awareness regarding equality in law and social system. The GRC cell deals with related issues of safety and security of students and faculty. The college campus is secured with CCTV and high level security.

Environmental Studies:

The course “Environmental Studies” related to ecosystem, its balance & sustainability is an integral part of the curriculum of the First year. University prescribed this course for creating awareness and developing importance of environment among students. Awareness about Environment is necessary for the protection of the environment and survival of human life. The basic aim of this subject is to make the students aware about the importance of ecosystem to human life. The College has an integrated rain water harvesting System. There is an extensive

ongoing tree plantation program. The college organizes workshop/ seminars on Environment & Ecology to make students aware about efficient use of natural resources.

The courses such as Energy Physics, Tourism, Archaeology, Nano physics and Bio-Organic Chemistry, Environmental Biology and Toxicology of different programmes focus on environmental awareness and sustainability which deals with renewable energy sources and natural resources.

Apart from the above, the Institute organizes various awareness programs and activities on cross-cutting issues with the support of external organizations and experts. The NSS activities, Swachh Bharath Abhiyan, blood donation and health awareness camps conducted by four NSS units and Youth Red Cross Unit play vital role in promoting inclusive environment towards regional and socioeconomic diversities among students making a Positive difference and shaping them into wholesome professionals.
