5.1.3 REPORTS OF CLUB OF COMPETITIVE STUDIES

MISSION

To progress a community of students around a common interest of providing more job opportunities through competitive studies. Club members will have opportunity to apply and improve numerical skills by participating in learning circles.

GOAL

To create a supportive learning environment to face the competitive examination.

OBJECTIVES

- To create an easy to learn concept of elementary mathematics.
- To develop techniques for critical thinking.
- To influence students to improve and explore their hidden potentials in calculation.
- To find paths to introduce simple math in creative and innovative ways.
- To encourage the study and appreciation of mathematics.
- To help students with difficulties in calculations.
- To explore students potential as being competent in the competitive exams.
- To promote exceptional work habits and behavior.
- To prepare the students to get through competitive exams such as railway recruitment board (RRB), State Eligibility Test (SET), National Eligibility Test (NET), Bank Probationary officer (PO), Graduate level competitive exams.

5.1.3. REPORT FOR THE ACADEMIC YEAR 2017-2018

Special coaching classes were conducted from 13.12.2017 to 27.12.2017 to improve the “NUMERICAL ABILITY” of the students for all the II year students. The staff members of Mathematics department voluntarily took classes for competitive exams in addition to their workload. In this class, to equip the students appearing for TNPSC GROUP IV/VAO exam, classes were conducted for 10 days and classes for TNSET 2018 for II PG students were conducted. The important notes and simple methods for calculation were given to the students. Interested students apart from II year students from each department were also selected and are scheduled for coaching.
