A. Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

- I. The IQAC plays a key role in institutionalizing the quality assurance. The following practices initiated by the IQAC are highlighted here.
 - Institute appreciates, encourages and provides support for quality improvement in teaching, research & administration.
 - Planning and Supporting for effective implementation of Total Quality management, Curricula development, Teaching-Learning and evaluation, Research, Consultancy and Extension activities for all stakeholders.
 - The IQAC monitors the effective implementation of curriculum through Internal Academic Audit reports.
 - Documentation of the various programs /activities leading to quality improvement.
 - Consolidated and analyzed documents are prepared and maintained for discussion.
- II. IQAC ensures conduct of all the Departmental Associations and Departmental Club activities through continuous monitoring. The Departmental association along with student Secretary organizes various programmes like Quiz competition, Debate in Tamil and English, Ramanujam day celebration, Essay writing competition, Oratorical competition, National Science Day Celebration, Article writing, to develop the skill set of the students.
- III. Academic Enrichment Activity
 - Number of Invited Lectures/ Seminar/Workshop organized
 - Field Visit
 - Experiential and participative Learning
 - Parent-Teachers meet and OSA meet
 - Departmental club activities
- IV. Internal Academic Audit Reports
 - The IQAC scrutinize the Internal Academic Audit reports submitted by the respective Departments periodically and ensure that the stated objectives of the curriculum bears a transmission process.
 - The IQAC monitors the academic progress through internal academic auditing and evaluates from the marks obtained in the continuous internal assessment tests, model examination and university examinations. Need based remedial programmes are conducted periodically.
 - Internal academic audit enhance the teaching learning process.
 - The effective implementation of curriculum is monitored through Internal Academic

- Audit reports of the institution.
- Internal academic auditing of the IQAC, mentor-mentee and feedback mechanism are the procedures adopted by the institution to monitor and evaluate policies and plans of the institution.

V. Student Feedback Survey

The institution imbibes quality standards in all its academic activities. It also conducts various faculty development programs as required. Feedback is solicited from students at the end of each semester about the faculty members. A typically prepared feedback form is given to each student and they give feedback on faculty on a scale of one to five, with one being the least and five being the highest. This feedback is collated and analyzed to determine the performance areas in which faculty are strong and areas where improvement is needed.

VI. Analysis of Student Feedback Survey:

The IQAC takes feedback from all the stakeholders, analyses the same to identify the gaps and formulates necessary action plan. The feedback on faculty is analyzed, broad results are noted and the issues as to individual teachers are settled through dissemination in confidence to the particular faculty member(s). Action to be taken are recorded by IQAC and reported to concerned faculty member.

The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The IQAC in the college, started working towards quality education and inculcating quality culture among the students and staff. The IQAC has contributed towards institutionalizing the quality assurance strategies and developed various processes as follows:

- Implementation of Outcome-based learning education in each program by creating a link between the Course Outcomes (Cos) and program outcomes (POs), for each course and program, called CO-PO Mapping.
- The institute monitors the performance of the students regularly and has specified procedure to collect and analyse data on student learning outcomes:
 - Regular class tests and interactions
 - Continuous evaluation comprising of internal tests, assignments, group discussions, and seminar presentations.
 - Providing Question bank of various subjects to the students.
 - Providing Lecture notes through an online portal
 - Timely Redressal of students' grievances.
 - At least 75% Attendance is compulsory in each semester.
 - Extra classes for weak students to solve their problems.
- Introduction of aptitude classes and soft skill classes for students to enhance personality and employability.
- Participation of college in NIRF, AISHE. Establishing Research and Development cell to promote Research and Development activities.
- Conducting quality programs namely, seminars, webinars, guest lectures, conferences, etc.
- Establishment of various processes to analyse feedback/surveys from various

stakeholders.

- To implement and enhance the use of ICT tools to strengthen the teaching-learning process.
- Establishment of the Mentor-mentee process and its effective implementation.
- To submit the Annual Quality Assurance Report (AQAR) annually to the NAAC.
- To institutionalize the best efforts to make the campus ragging-free and develop the discipline in the students along with the establishment of grievance redressal cell.
- Institute has the provision of analysis of students' performance after the announcement of their semester results.

Other than these initiatives, IQAC works on improving the teaching-learning process and supports adopting Outcome-Based Education (OBE) in all programs of college gradually. Outcome-based education aims to create a student-centric learning environment at the course level including curriculum and teaching. The POs, PSOs, and COs attainment is measured every semester, for low attained courses, proper action is planned and efforts are made to improve the attainments.

FEEDBACK MECHANISM

Effective feedback is important for continuous improvement as it helps in understanding the strengths, weakness. opportunities and challenges faced by the organization and is advantageous to the organization as well as the stakeholders. Regular feedback is important across the entire organization in order to remain aligned to goals and is part of continuous learning process for regular improvisations to serve better. For continuous improvement in academics and administration, the college has entrusted IQAC and feedback committee with the responsibility of arranging feedback responses from all stakeholders.

The feedback mechanism in Dharmapuram Gnanambigai Government Arts College (W) will include the following steps:

TYPES OF FEEDBACK

1. Students Feedback
2. Teachers Feedback about Curriculum
3. Alumni feedback
4. Employers Feedback
5. Parents Feedback

1. Students' Feedback: (Feedback about Curriculum and Quality of Teaching)

Students' evaluation of their learning experience in an institution is an integral component for any quality assurance system. This allows the institution to evaluate how its service is viewed by its students the most important group of stakeholders. The Feedback about curriculum will collect students' input on all aspects of curriculum. Feedback is also sought about quality of teaching of each faculty member teaching a particular subject. The standard format will be circulated from IQAC or feedback committee to the students through the class mentors. Filled in feedback forms shall be collected under the supervision of the Head of the Department with minimum of once every year. This shall be collected by students of every Year about the faculty members teaching in that particular Year.

2. Teachers' Feedback about curriculum

The Purpose of this Feedback is to obtain the teachers input on the overall educational environment in the college. This Feedback will specifically target the inputs of teachers on

curriculum design, employability, examination, teaching methods and overall teaching-learning environment. The Feedback from teachers will be collected once during an academic year.

3. Alumni Feedback

The purpose of this Feedback is to obtain the inputs from the alumni on the quality of program. This will help in assessing the extent of attainment of the programme outcomes. This feedback will be collected from all participating alumni of our college during annual Alumni meet or through e-mail. The collected feedback will be submitted by the alumni coordinators to the Head of the Department for analysis and necessary action at their end.

4. Employers' Feedback

The purpose of this feedback is to obtain the employers input on the quality of the graduates of our college and to assess whether the expectations of recruiters were fulfilled. The student's ability to handle the professional skills and knowledge acquired during their learning can also be assessed. The collected feedback about particular programme students shall be submitted to Head of the Department for necessary action at their end.

5. Parents' Feedback

The College takes the initiative of organizing Parents-Teachers-Students meeting regularly to apprise parents and guardians with the academic of their ward. Feedback from parents forwards employability, Skill training, practical learning and their overall satisfaction related to the progress of their ward It will be collected manually by the concerned teachers monitored by Heads of each Department.

The Feedback forms can be revised as per the need of the situation and as per the requirement of the feedback to be obtained. The revisions shall be made by the feedback committee and shall be approved by IQAC.

Role of Feedback Committee

The Feedback Committee of IQAC shall serve the following functions:

- 1) Preparation of Feedback formats from each stakeholder.
- 2) Analysis of Feedback responses received
- 3) Presentation of recommendations after analyzing Feedback to IQAC.
- 4) Revision of the formats as per the need.
