ACADEMIC STRATEGIC INITIATIVES AND ACTIVITIES

PROFILE OF THE COLLEGE

Dharmapuram Gnanambigai Government Arts College for Women is the premier higher education institution for women of Nagapattinam district of Tamil Nadu state. It was established in 1967 in an area of 13.7 acres to empower women through education with its endeavor for a system incorporating the ethos of Indian culture and personality development of each stakeholder. The Ultimate goal of the institution is to flash the torch to sensitize the women from the deprived sections of the society and support them with an education that hones life skills and ensures employability. This institution has been the advocate to enable the young women of this locale to keep their feet on ground to march on progress. It has brought a revolutionary change in the regions educational Scenario, diversified in leaps and bounds and has carved a position for itself as a celebrated seat of learning. It contributes to social and community based initiatives and awareness amongst the students to become self-determining Responsible citizens to acquire moral standards and values, explore better opportunities and to succeed in their future lives and careers.
